#### Reading at Home

Reading at home is proven to impact on children's progress. Please support your child by reading together for at least 10 minutes every day.

Thank you for your support in sharing this very important responsibility.

### Internet Safety Week 6<sup>th</sup> to 10<sup>th</sup> February

As our Internet Safety week approaches can we <u>please</u> remind parents of the importance of monitoring your child's use of ICT at home. Be aware of the Xbox Live, where children can add "Friends" to play against. Could you check the Privacy settings so that you know <u>exactly</u> who your child is playing with.

#### **Head Lice Treatments**

We have received the following information from West Yorkshire Fire and Rescue Service about Head Lice Treatment products. 'We would like to remind parents and carers to always read and follow the instructions carefully when using chemical insecticide products, typically sold in chemists, to treat head lice. This is because these treatments contain flammable elements. You should not therefore use hair dryers, or any other ignition source such as matches, lighters and candles near anyone during the treatment process whilst the product is being used. This advisory note follows a recent incident in West Yorkshire in which a child's hair was accidentally set alight during treatment resulting in the child sustaining serious injuries.'

'We recommend regularly using a head lice comb and conditioner as a treatment for head lice'. We know this is frustrating, teachers get head lice too!

#### **Parking**

A resident on Hendal Lane has telephoned school regarding concerns over double parking outside school. People are struggling to cross the road safely. Please park with consideration for others.

#### **Polite Notice**

Could children not run on the grass before Nursery as they are bringing mud into school. Thank you.

#### **Governor Vacancy**

We have a vacancy on our Governing Body for a Coopted Governor. See Mrs Ashton if interested.
