TARGET- 96% or above.

We have no Parent assemblies in the first week back after Easter

Feeding Hungry Minds

New Dinner Registration - URGENT

All parents MUST register their child on the www.feedinghungryminds.co.uk website even if they have a Free School meal or a Packed Lunch.

You can register your child at home on-line or on your mobile phone, this applies to all children. Dinner payments will no longer be received in the school office. The new service will be run by our new meal provider and allows you to pay for and choose meals on-line.

EASTER ASSEMBLIES

Our Easter Assemblies will be held this **Friday 7th April** in the school hall. We are having **two** Assemblies, one at **9.30 am** and the other at **2.30 pm**.

The Easter Assemblies are both the same, involving children from Upper Foundation to Year 6.

We have limited seats due to our Health and Safety policy; therefore the tickets are limited to 2 per child (initially) and are on a first come first served basis.

Please complete the slip on the letter sent out and return to your child's class teacher to request your tickets or call into the school office. Thank you.

Scarborough Residential Visit - Parent Meeting

A meeting for parents will be held on Wednesday 3rd May at 6.00 pm in the School Hall.

Hendal Primary Book Bags

Lower Foundation will be using our Foundation Stage library after the Easter Holidays. They will have the benefits of being able to take home some wonderful books to share with their family. We have Hendal Primary book bags for sale in the school office at £3.50. Children in Upper Foundation use these and we would now like Lower Foundation to have a book bag too.

Our Easter bonnets looked fantastic

We break up for the Easter Holidays this Friday 7th April at 3.30pm. School opens again on Monday 24th April.

HEADLICE – Years 5 & 6

We have an ongoing problem with headlice in Years 5 and 6. Mrs Ashton has contacted School Nursing and they are happy to work with families who need some support and asked us to remind you that this is an issue of parental responsibility. Please contact School Nursing on 01924 327540.

1K-a-Day

Walk, jog or run your way to a healthier school! We are taking part in the 1K-a-Day programme where children aim to jog or run 1K a day during the school day. This is proven to have health benefits for all. We aim for this to begin after on Monday 22nd May. We will give further details nearer the time.
