SAFEGUARDING: 'NO PHONE ZONE'

Please can we ask that parents do not use their mobile phones whilst in the school grounds. This is a safeguarding concern as conversations may be overheard and the content may be inappropriate for children. This also safeguards children who are not allowed to have their photograph taken and shared, as all mobile phones can now be used

SUGGESTION BOX

We have received feedback about how busy the KS1 corridor is when dropping off and collecting your children from school. This situation can be helped by a one way system whereby parents and children stay to the left hand side of the corridor. We would appreciate further feedback so that we could look at options for September.
